Head teacher – Mrs Turner-Rowe

Together we are **stepping to success**. Together we are **working to achieve our best**.

September 2022

Dear Parents,

Hot Shots Band in Chatsworth and Duffield classes

At CJS we believe that every child should have the opportunity to learn a musical instrument. We feel this is a huge benefit to the children, inspiring a love of music and helping to develop skills that enable the children to be successful and independent learners.

Our Governors continue to promote and support music by agreeing to fund this for Y4. We are very excited that Hot House Music will be leading Hot House Band for Y4.

You will be required to sign and return an instrument agreement form (which will be sent home in the next week) prior to your child being issued an instrument. The instruments are insured by school, but it is your responsibility to ensure it is kept safe when your child brings it home.

Sessions will run on a Wednesday afternoon. The children will take their instrument home on a Wednesday and will be expected to bring it back on Monday. They will also be required to do some practice at home too.

If your child fails to bring the instrument in on the correct days, then they will still participate in the sessions, but without an instrument. Unfortunately, we will not be able to telephone parents to bring forgotten instruments into school.

We hope you will agree that this is an exciting opportunity for your child. Who knows – we may have the next big star in our school!

Yours sincerely,

Mrs Stephenson
Music Coordinator

I am happy for my son/daughter to take their musical instrument home from school and I will sign the agreement form to ensure it is kept safe and returned to school on a Monday.
