Dear Parents/Carers,

You may have seen the recent media coverage regarding Reinforced Autoclaved Aerated Concrete (RAAC) and its use in education settings. The Department for Education (DfE) has recently changed its advice to education settings on the management of RAAC to take a more precautionary approach and this has forced some schools to close areas of their building.

We wanted to inform you that we are not affected by this decision as surveys completed suggests we do not have RAAC in either building and therefore we will continue to function as normal.

I hope this offers reassurance. We look forward to seeing all the children tomorrow.

Yours faithfully,

Lisa Turner-Rowe
