Well done to all Year 3 children—they have settled into their classes brilliantly over the first half term and we are excited to see them grow during Autumn 2!

## Topics For The Term

Our theme for Autumn 2 continues with Myths and Gods—Ancient Greece.

We will base our studies around Ancient Greece. In History we will learn about the Olympic Games, research famous thinkers and investigate Greek architecture.

In Geography we will compare and contrast houses in Greece with houses in the UK.

In Science we will be learning about light.

In Art we will be designing and making Greek or Art Deco vases.

In Technology we will be learning about pneumatics. The children will be designing and making a moving picture.

## Homework

Reading is the most important homework to complete. Please make sure that you listen to your child read at least 4 times every week and this is recorded in their reading diary. Children will earn dojo points if they read 4x a week. It is also helpful if parents discuss new vocabulary, ask simple retrieval questions and help their child make predictions about what might happen next.

Times Table Rockstars can also be used to help improve times tables fluency.

## Communication

If you would like to contact your child's class teacher please email rather than send a Dojo message.

## PE Days

Your child will need to bring their PE kits into school on Mondays and they will be sent home to be washed every Friday.

Black joggers/shorts, green PE t-shirt, black sweatshirt—no logos other than CJS. Trainers are needed, not pumps please.

**Outdoor PE is on a Monday, indoor PE is on a Wednesday.**

Children will need their kit to take part in PE lessons. This will include being able to remove any earrings.
