School closed for summer holidays

Monday 5th September

Back to school

Welcome to the last half term of the year. I hope that everyone had a lovely half term break and are ready for a super summer term. We are looking forward to seeing families in school for our sports days, art exhibitions and open classrooms.

School has been a sea of red, white and blue today as part of our Platinum Jubilee celebrations. The children have taken part in lots of creative activities to celebrate the land mark event and have enjoyed picnicking together on the field for lunch.

Your children will be bringing home a special Jubilee commemorative medal today. A huge thank you to our fabulous PTFA for funding and organising them for us all.

A few dates for our Y6 family diaries. The children are busy putting together productions of *Shakespeare Rocks* as their end of year production. The performances for families will be on Wednesday 13th July at 3:30pm and 5:30pm. We also have a leavers evening for the children on Thursday 21st July and a final leavers assembly that we welcome families to on the morning of Friday 22nd July. Further details will be sent to families by the Year 6 team in the very near future.

Parking

We have again had our neighbours complaining about inconsiderate parking. Please can we reiterate the request for all parents /carers /grandparents, whoever it is picking children up, to be mindful with their parking. Please don't block driveways, double park or park on the zig zags. It may mean you need to park further away and walk a little bit further but it will mean that our neighbours can access and leave their own properties when they need to, it is also much safer for the children, parents and all other pedestrians.

Thank you.

School Council – Summer Raffle

The School Council will be running a summer raffle over the next few weeks. There are some fantastic prizes to be won, including – a family pass (including wristbands for all the rides) to West Midlands Safari Park, a £66 gift voucher for Go Ape, a match worthy football donated by Derby County, two 1 week passes for Moorways, and a family pass for Jumpin Inflatable Fun.

Tickets will cost 50p and will be sold in classes. Can we please ask you to send your child in with change if they are going to buy a ticket or two.

Winners will be drawn on 15th July.

Good luck!

PTFA needs your help

Our Summer Fayre is only a few weeks away and we are very excited as it is the first one for over 2 years!! If you would like to help at the Fayre for the afternoon or only a short time please email Tracey at ptfa@cjs.derby.sch.uk and she will be in touch. Any help would be very much appreciated as the more help we have the more fun we can create for the children.

Fantastic Writing

Ticknall class completed a shared poetry write after watching an extract of Wicked and then generating words and vocabulary. Here is their poem that they would like to share.

WICKED MAGIC!

*Evil revenge, roaming the night,
Red villainous eyes gleam with envy,
Resented rebels are coming for you!
As daggers lifted up and down in fear.
Let darkness consume them...*

*Emerald frogs stuck in a jar,
Waiting to be spelled upon.
A wand hanging on a tree branch,
Casting a spell on whomever enters the area.
Quietly mixing up her bubbling cauldron.*

*Friendship in the night,
Friendship smoke, leaving in the evening.
Enemies in the day,
Enemies smoke, dispersing at dawn.
This rule-breaking, troublemaker of a witch,
Broomsticks levitating throughout the earth,
Flying free in the sky,
BRING THE WIZARD DOWN!*

If Buildings Could Talk!!!!

If buildings could talk,
They would have a story to
tell,
Some of heaven and some
of near hell,
If walls had ears they
know secrets galore,
But your secrets are safe from
ceiling to floor.

Holmes

If buildings could talk,
What would they say?
But nobody knows still to this
day,
We could take a guess to what
they would be,
But we could scratch our heads
in dismay!

If buildings could talk,
They wonder in awe,
Why some are so big and some
are so small,
While some are made of brick and some
are straw their are lots with
windows and some with more doors.

If buildings could talk,
What a wonder that would be, but
as it stands it will remain a mystery.

If Buildings Could Talk!!!!

Here is a wonderful example of the work done in Chatsworth class.

By visiting <https://www.nationalbooktokens.com/> and nominating Chellaston Junior School we could win £1000 to spend on new books for our library and you could win £100 to spend on books for yourself too. It doesn't cost you anything and the more people who nominate us the better our chances of winning so please have a go.

Thanks.
