September 2025

Dear Parents,

Year 5 Mountain Workshop

As part of our "Explosions, Rumbles, Water and Heights" theme for this term, we are very excited to have invited Explorer Academy in to run their mountain workshop.

The children will be given an adrenaline-fuelled overview of life at high altitude. They will look at how and why mountains are formed, the climate at altitude, the people and wildlife that inhabit mountainous regions. They will learn about past and present explorers, the equipment needed to survive high altitudes and the sports people take part in the mountains.

The dates of these workshops are:
Monday 6th October – 5H & 5C
Wednesday 8th October – 5B & 5LC

The cost of this workshop is £7 per child, payable on ParentPay.

Yours faithfully

Year 5 Teachers
