Another reminder regarding parking

Please can we remind parents to think about how they park when dropping off and picking up their children. We know that the weather is getting colder and wetter but the safety of our pupils, their families and the wider community must come before the avoidance of getting cold and wet. Parents have been parking on the zigzags near the school entrance, **this is dangerous.**

Some parents are also using the bus stop and parking across driveways. Please, if necessary, park a little bit further away so that you can do so safely and considerately.

Thank you.

#HelloYellow

Last Friday our pupils accessorized their uniforms with yellow and thought about ways to look after their mental health. This was to raise money for #HelloYellow. Thanks to your kind generosity making donations on ParentPay and in cash we have raised a whopping **£460** for this great cause. So here's a big **"Thank You!"** to you all.
