#### **COVID** update (from the government)

From Monday 17 January, people who are self-isolating with COVID-19 have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if a pupil tests negative on the morning of day 5 and the morning of day 6, they can return to CJS immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or

anyone who is unable to take LFD fests of anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further information on self-isolation for those with COVID-19 is available.

#### Absence

Can we remind parents, if your child is going to be absent, that you need to call and leave a message on the absence answer phone or email into <a href="mailto:admin@cjs.derby.sch.uk">admin@cjs.derby.sch.uk</a>. Please do not dojo this information as teachers are teaching and don't always get to see these messages until later in the day.

Thank you.

## **Mental Health Week**

Children's Mental Health Week is taking place from 7 - 13 February 2022 and is an opportunity to shine a spotlight on and raise awareness for children and young people's mental health.

As a school community, we will be encouraging all students and staff to use clothing and colour to express themselves on Friday 11th February. The outfit can be as simple or elaborate as they like! Dress To Express is an opportunity for self-expression and celebrating a diverse range of emotions.
