Aims and Vision

Chellaston Junior School 

“Together we are **stepping to success**. Together we are **working to achieve our best**.”

Our aim In striving to become an outstanding school, at CJS we will help ALL pupils to be:

- **Successful Learners** who enjoy learning, make excellent progress and achieve very high standards across the curriculum
- **Confident Individuals** who are able to lead happy, safe, healthy and fulfilling lives
- **Responsible Citizens** who make a positive contribution to British and the global society

Nationally, Looked After Children significantly underachieve and are at greater risk of exclusion, compared with their peers. Schools have a major part to play in ensuring that Looked After Children are enabled to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic well-being.

Chellaston Junior School believes that, in partnership with Derby City Council (and other authorities from which we receive Look After Pupils) as Corporate Parents, we have a special duty to safeguard and promote the education of Looked After Children.

Who are Looked After Children?

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents (section 20)
- children who are the subjects of a care order (section 31) or interim care order (section 38)
- children who are the subjects of emergency orders for their protection (sections 44 and 46)
- children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21).

The term ‘in care’ refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children’s home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are ‘accommodated’ by the local authority under section 20 of the Children Act – they may live in foster care, in a Children’s home or in a residential school. All these groups are

said to be 'Looked After Children' - LAC. They may be looked after by our local authority or may be in the care of another authority but living in ours.

LAC reviews, involving the school, will take place up until an adoption order has been granted. However, Pupil Premium Plus funding will continue for LAC until they are 16 years old.

AIMS of this policy

1. To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.
2. To support our looked after children and give them access to every opportunity to achieve to their potential, enjoy learning and take as full a part as possible in all school activities.
3. To ensure that school policies and procedures are followed for LAC as for all children.
4. To work with the Virtual School and ensure that carers and social workers of LAC pupils are kept fully informed of their child's progress and attainment.
5. To fulfil our schools' role as corporate parents to promote and support the education of our Looked After Children, by asking the question, 'Would this be good enough for my child?'

Our school's approach to supporting the educational achievement of Looked After Children is based on the following principles:

- Prioritising education
- Promoting attendance
- Targeting support
- Having high expectations and raising aspiration
- Promoting inclusion

The report must not mention the children's names for confidentiality reasons.

- Governing bodies and the SLT should make sure that the DT role contributes to the deeper understanding of everyone in the school who is likely to be involved in supporting LAC to achieve.
- The governing body, in partnership with the head teacher, is responsible for monitoring how well the role is working. As part of this monitoring an annual report will be received from the DT.
