

Missing Child Policy

2020-2023

This policy is reviewed every two years and was agreed by the Governing Body of Chellaston Junior School in Summer 2020 **and will be reviewed again in Summer 2023**

Signed: _____ Chair of Governors

Date: _____

Non-Statutory Policy

The policy covers pupils who go missing during the school day.

Children should never be allowed to leave the premises during school time except in the case of planned educational visits, under the supervision of school staff, with relevant risk assessments in place. However, it is possible that on some occasions a child may leave the premises without the knowledge or permission of the Head teacher. This policy is put in place to ensure that every action possible is taken to ensure the quick and safe return of that child to school.

OBJECTIVES

1. To locate any missing child quickly.
2. To ensure that all children are kept safely on the school premises during school hours unless they have the Head teacher's permission to leave.
3. To ensure that children who leave school during the school day only do so with the Head teacher's permission and that they are accompanied by an authorised adult.
4. To ensure that the building, grounds and play areas are safe and secure during school hours.
5. To ensure that teachers and staff keep children under proper supervision at all times.
6. To ensure that if a child 'goes missing' during the school day, he/she is located quickly and returned safely to the school.

STRATEGIES

1. If a child cannot be found by their teacher/teaching assistant/ midday supervisor, the Head teacher must be notified immediately and told when and where the child was last seen. Time is of the essence and prompt actions must be taken by all.
2. The remaining children will be left safe in the care of suitable staff. All other available staff will conduct a thorough search of the child's classroom, play areas, storage areas, toilets, the school building and the school grounds.
3. If the child is not found within a short period of time, the police must be called by the Head teacher or staff member.
4. Members of staff, who are not supervising children, will be sent to search the area in the immediate vicinity of the school.
5. If a child goes missing during an outing or school visit, the teacher in charge must ensure that the remaining children are safely cared for by the other staff and adults. An urgent but thorough search should be made of the immediate vicinity and if the child is not found quickly the police must be called and the Head teacher notified. If in an enclosed space the appropriate staff in that environment can be initially informed before calling the police, for instance to give a message over a tannoy.
6. As soon as possible, the parents and Social Worker (where appropriate) will be notified that their child is missing.
7. The CEO of PEAK Multi-Academy Trust and the Chair of Governors will be notified by the Head teacher that a child is missing.
8. If a member of staff finds the child, the Head teacher must be told at once. Parents, police and other authorities will then be notified.
9. The Head teacher will investigate how the incident occurred and will take appropriate action to ensure that similar events do not happen again.
10. If the Head teacher is absent, the designated member of staff who will take lead responsibility is the Deputy Head teacher or another member of the Senior Leadership Team in his/her absence.

OUTCOMES

The safety of all children will be given our highest priority. A missing child should be an extremely rare occurrence.

This policy is designed to put into place swift and effective actions to locate any missing child and to notify and involve parents and the authorities at every appropriate point.
