Food Parcels

Staff at CJS have been busy organizing food parcels for families entitled to Free School Meals. These were designed to replace the school dinner their child/ren would have had if they were in school.

On Wednesday this week a room was set up in the Hub for parents to come in and choose from a small selection of food to make up their food parcel.

Here are some pictures of the range of products available and an example of a food parcel for ONE child for ONE week. We will be doing this again this Wednesday 20th February.

Chellaston Junior School

Our aim In striving to become an outstanding school, at CJS we will help ALL pupils to be:

- **Responsible Citizens** who make a positive contribution to British and the global society

Message from the Governors

A message from the Governors was put on Class Dojo and emailed out to all our parents last night. In this message they reiterated the Government's message about critical or key workers: "Children with at least one parent or carer who is a critical worker can go to school or college if required, **but parents and carers should keep their children at home if they can**". They asked if parents could regularly reflect on their circumstances so that we can ensure the provision is as safe as possible and also going to those most in need. School is currently at capacity and we have key worker families who have not managed to secure a place for their child at school.

If your situation does change and you find yourself in a position that you could work at home and have your child/ren with you please do let us know so that the place can be offered to someone else.

In the meantime we will continue providing education to our pupils both in school and at home.
