- HALF TERM

Monday 2nd November

- INSET DAY (School closed to pupils)

Tuesday 3rd November

- Children back to school after half term

Tuesday 10th November

- Individual school photographs

#HelloYellow

The mental health of our children is even more important now during this pandemic than ever before.

On Friday 9th October we will be supporting Young Minds through their #HelloYellow campaign. Children are invited to accessorise their school uniform with something yellow – could be socks/tights, a t-shirt, whatever they already have. Please do not go and buy something specially for this day. On the day the whole school will be practicing activities which promote mindfulness.

We ask that a donation of £1 is made to be given to #HelloYellow to support this cause. If your child wants to join in wearing something yellow payment can be made via ParentPay.

McMillan Cakes

Mrs Stephenson and Mrs Daintith baked cakes and scones to sell to raise money for Macmillan Cancer Support in lieu of our usual coffee

morning which we were unable to hold this year. They were absolutely yummy and have raised a fantastic £174 so far.

Message from a Parent re Parking

A parent writes:
I'm really concerned about the state of the parking from some of the parents this morning. It was total chaos and some of the parents that were stopped in the bus stop were crossing their children through the middle of it! Parking outside of the school has always worried me, but it seems to be getting crazier by the week.

Please park considerately:

- Do not park in the bus stop
- Do not obstruct driveways
- Do not cross children between parked cars.

Dinner Money and ParentPay

Whilst our dinner money debt is coming down, thank you, we do still have some people who are not paying in advance and are building up debts as a result.

We also have some families who have not activated their ParentPay accounts. Even if you have had an account previously, either through the Infants or the Zone, you need to activate your junior school account by "adding a child". Letters were sent out with the details in July but if you can't find yours please contact the school office and we will be able to give you your login details again.

Our aim In striving to become an outstanding school, at CJS we will help ALL pupils to be:

- **Successful Learners** who enjoy learning, make excellent progress and achieve very high standards across the curriculum
- **Confident Individuals** who are able to lead happy, safe, healthy and fulfilling lives
- **Responsible Citizens** who make a positive contribution to British and the global society

Harvest Collection for the Padley Centre

Every year, as part of our harvest celebrations we collect goods to donate to the Padley Centre in Derby. The Centre provides hot

meals, toiletry and clothing parcels to those members of our community most in need. Through the current pandemic they have helped homeless people keep safe and stay indoors to protect the NHS; they have provided food to members of the "shielding group" who couldn't get out to the shops. They support women's hostels and animal sanctuaries.

We are not doing a Harvest Assembly this year but will still be collection goods to donate to the Padley Centre and your donations will be very much appreciated. In their words – **"we cannot do what we do without the support of people like you! Thank you."**

Below is a list of the items they are most in need of:

Gravy granules, biscuits, cook-in-sauces, sugar, jam, tinned fish, tinned fruit, tinned custard, long life milk (NOT fresh), kitchen rolls and washing powder. But anything you can give will help although, please no fresh produce as we do not have the facilities to keep it fresh.

Donations should be brought to the trophy cupboard outside the office. The Centre will be collecting from us on Wednesday 21st October.
Thanks again for any support you can provide.

Chellaston Junior School
 Together we are **stepping to success.**
 Together we are **working to achieve our best.**
