Parents' Meetings

We have been working hard behind the scenes working out the best way to do Parents' Meetings. We are setting up a new system to have 10 minute video or telephone meetings. These meetings will take place over eight days with two classes having their meetings each day as listed in the "Looking Ahead" section ← ←. Full details and instructions will be emailed out on 2nd November once we are sure everything is ready to go and you will be able to book your appointment online from 3rd to 13th November.

School Photographs

Individual school photographs are being taken on 10 November. If this day coincides with a PE/Games day for your child they may come in with their school tops on top of their PE bottoms to ensure they have a smarter photo if you wish. They will need to remember to bring the rest of their PE kit to change into. We will also be doing sibling photos and will ask the older sibling to go and gather their younger sibling(s) when their class goes for their photographs.

Children In Need

This year's appeal is on Friday 13th November. We will be allowing children to come in to school in non-uniform on that day and we will set up a Just Giving page for you to make donations (i.e. no cash into school). More details to follow 😊

Parking Buddies

Meet our four new “parking buddies” which we have started to use outside school at drop off and pick up times.

These are to help remind everyone about parking safely and considerately.
