

Looking Ahead

Monday 31st May – Friday 4th June
Half Term Holiday – school closed

Monday 7th June
School reopens

Monday 14th June
INSET – school closed to pupils

Thursday 17th June
Class photographs

Tuesday 6th – Thursday 8th July
Shuffle up days (children get to meet their new teachers)
More details will follow; don't worry!

Beat the Street

Archie from Glossop Class let us know that he finished 327th out of the whole of Derby! Having collected all the points by himself he finished on 5,880 points. Well done Archie. I wonder if anyone can beat that?

Home Time Safety

It is essential that **only one adult or secondary school student collects each child at the end of school**. We are trying to work towards everyone finishing at 3.20pm from September but we need to ensure that we minimise the number of people on the playground. Thank you. If we have groups of secondary school students coming to CJS, we will turn away those not actually collecting pupils. Please **ensure that younger/infant children stand with their adult when coming onto the school playground**.

Another Hairy Donation

Marnie has chopped her hair for the second

time for The Little Princess Trust - donating a whopping total of 17 inches of hair for wigs for children who have no hair.

Marnie has raised a total of £1,535.12 to accompany her hairy

donation, so that the wigs can be made.

It's come to light Marnie also did something enormously kind at Christmas, when she identified families who would be going without on Christmas Day due to losing their family income in the lockdown due to shielding. Marnie created a shopping list including a full Turkey dinner, champagne and Christmas pudding and hand delivered to families in need. What a kind soul she is!

Coats

It is far better to have a coat at school and not need it than not to have one when you do. So we would ask that children always bring their coats with them, even on PE/Games days. This way they will always be equipped for the ever changing British weather.

Thanks.

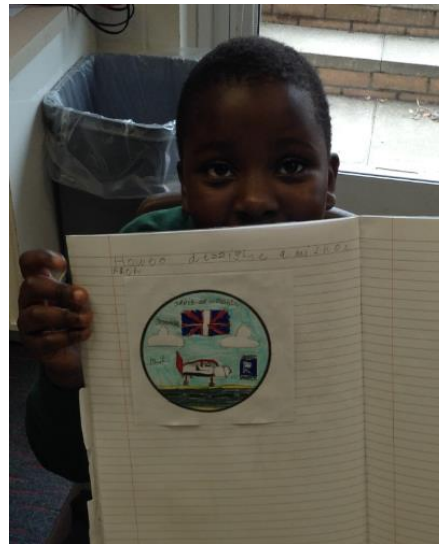

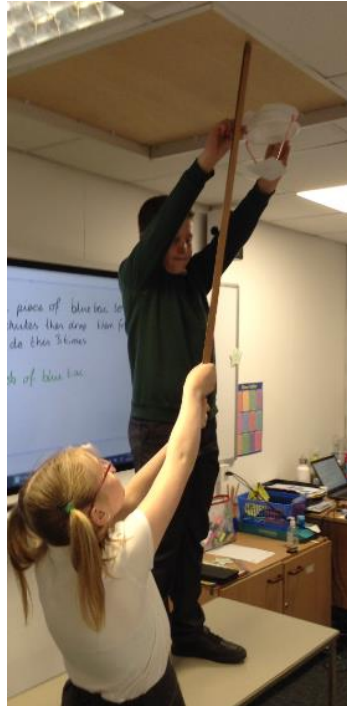

Spirit of Innovation

On Friday 14th May we had a whole school theme day focusing on the 'Spirit of Innovation', Rolls-Royce's first all-electric aircraft. Rolls-Royce is currently developing the aircraft and it is set to take to the air within weeks. It will also be aiming for a world record attempt by flying at speeds of over 300 MPH.

Our pupils were lucky enough to have a video call from Phil O'Dell, the pilot who will be flying the Spirit of Innovation during its world record attempt! They also spoke to engineers from Rolls-Royce about the project and their careers.

We then carried out a range of aviation activities throughout the day, including problem solving in maths to find the best link between weight, speed and cost and art activities to design a mission patch for Phil O'Dell.

Chellaston Junior School
Inspire Nurture Flourish

At CJS, we inspire the whole school community, we nurture our learners' curiosity and well-being and we aim for our pupils and staff to flourish as:

- **Successful Learners** who enjoy learning, make excellent progress and achieve very high standards across the curriculum.
- **Confident Individuals** who are able to lead happy, safe, healthy and fulfilling lives.
- **Responsible Citizens** who make a positive contribution to British and the global society.

A huge well done to Joshua Williams in Duffield who was a runner-up in the 'Spirit of Innovation' helmet design competition! Joshua's design will now be used on the Rolls-Royce and Fly2help websites. Also, well done to Jack Wang in Duffield who got a special mention, and to every one else who entered. The competition had over 600 entries.

ROLLS-ROYCE 'SPIRIT OF INNOVATION' HELMET DESIGN COMPETITION

My design shows the world before electric flight and young children being inspired by 'the Spirit of Innovation.'

Joshua's fantastic design has been awarded a runner up place in the 'Spirit of Innovation' competition.

Well done Josh 😊

STEM VENTURI
CODE + TECH

May Half Term Technology Camp

The STEM holiday club for curious, creative minds

DAY 1 CODE BREAKING

LEARN ABOUT CIPHERS, ENCRYPTION AND PASSWORD SECURITY BEFORE CODING YOUR OWN PASSWORD GENERATOR.

DAY 2 INTRUDER ALARM

INTRODUCTION TO ELECTRONICS AND SENSORS. USE THIS KNOWLEDGE TO CREATE AN INTRUDER ALARM AND LEARN HOW TO TRACK SUSPECTS.

DAY 3 ENEMY ATTACK

ARE YOU READY FOR OUR ROBOT CHALLENGE? LEARN TO CODE THE ROBOT TO MOVE AND AVOID OBSTACLES BEFORE ATTEMPTING TO GATHER SUPPLIES WITHOUT TOUCHING THE EXPLOSIVE DEVICES!

DAY 4 ESCAPE ROOM

PUT EVERYTHING YOU HAVE LEARNT DURING THE WEEK TO THE TEST IN OUR FOUR ESCAPE ROOM CHALLENGES! 3D PRINTING, ROBOTICS, CODE BREAKING AND A TREASURE HUNT....

HILTON SCOUT HUT

JUNE 1ST - 4TH | 9 AM - 4 PM

7+ years old
£50 per day

Discount for booking all 4 days
All technology provided!
