

**Monday 26th July – Friday 3rd September**

School Holidays for the children

**Thursday 2nd & Friday 3rd September**

INSET Days (school closed to children)

**Monday 6th September 2021**

Children return to school for the autumn term

**Monday 13th September 2021**

Year 6 National child Measurement Programme

**Dinner Money**

We still have quite a bit of dinner money outstanding on some ParentPay accounts. These accounts need clearing as soon as possible please. Any children with money still owing when we return to school in September may not be able to have school dinners. It is essential that all Year 6 accounts are cleared as they leave for pastures new.

Any credit on accounts will be carried forward to the new academic year. Any credit left on Year 6 pupils' accounts will be refunded over the summer holidays.

**School Book Tournament**

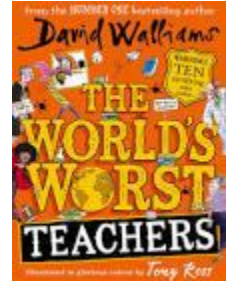

This week we had the final of our school book tournament. The following children all won in their Year groups:

Year 3 – James Baker:  
The Creakers by Tom Fletcher

Year 4 – Jack Wang: Diary of a Wimpy Kid by Jeff Kinsey

Year 5 – Evie from Hartington:  
The World's Worst Teachers by David Walliams

Year 6 - Sharikha Setti: One of us is Lying by Karen Mcmanus

All of the children did their presentations to the whole school via Zoom and then every child in school casted their voted for a winner, and the scores are in. It was a very close vote, as all the children did brilliantly!

But our final winner was James Baker from Tissington with the Creakers book by Tom Fletcher. Tissington are currently reading this as their class reader and recommend it for children of all ages as it is a real cliff hanger.

Well done to everyone who took part - it is amazing to see you all talking about books. Well done to the class winners and well done to our school winner. Great work everyone! We are proud of you all!

Why don't we do it all again next year?

**New website for parents to help their children catch-up**

The Department for Education (DfE) has launched an [information site](#) for parents, to support children of all age ranges and abilities catch up on lost learning from the pandemic. The site features advice and support for parents of children with special educational needs and disabilities (SEND), as well as programmes, resources and activities for children and young people this summer.

Have a lovely holiday and we look forward to seeing you back here on 6<sup>th</sup> September 2021
