**Football**

**Come on England!!**

Some pupils have asked, and Mr Smythe has agreed, that **IF**

England are triumphant on Sunday children can come in football or England related clothes on Monday 12<sup>th</sup> July (it was the children's idea that they should only dress up if England win!)

Please note that Hope class who are on their trip need to go in their uniform due to safety and ease of identification purposes.

**End of Year Reports**

You will receive your child's end of year report in the post. This should get to you by Monday 12<sup>th</sup> July. If there is a delay, it will be due to Royal Mail!

You'll also receive, by email, a copy of the letter which will go with reports. This is so that you can click on a link to a form we have set up for you to acknowledge you have received the report and to write something nice to their teacher 😊...there will also be an opportunity to speak to your child's class teacher on the phone after the reports have come out, if you would like to. All details will be contained in the letter you receive.

Also included with your child's report is a list of pupil consents as we have noticed that many of you who have downloaded the app are experiencing problems reading this long list of consents on your phone.

The written list in your reports envelope will give you a description of exactly what you are agreeing/not agreeing to. We will then shorten the names on the actual system to make them easier to read.

A reminder:

Due to a delay in the easing of COVID restrictions, our 'Sports Day' will look slightly different this year. We still hope that parents/carers will be able to attend, although due to restrictions and government guidance, we ask that **only one parent/carer/adult supports their child(ren)** and that younger siblings attend only if absolutely necessary. To limit numbers and to follow government guidance, each year group will have their own dedicated Sports Day:

- **Tuesday 13th July - Year 3**
- **Wednesday 14th July - Year 4**
- **Thursday 15th July - Year 5**
- **Friday 16th July - Year 6**

As with many forced changes due to COVID, we have had to adapt and re-think how we approach things, often assessing what has worked well previously but also how things can be improved.

Due to this, we have adapted our traditional timetable in favour of a Sports Day which encourages the children to take part in many more events both competitively and as a team member, being actively involved for most of the day.

Field events (throwing and jumping) will take place throughout the morning and track events (running, skipping, dribbling, relays) will take place throughout the afternoon.

**Parents/carers/adults are invited onto the school site from 1pm**, entering via the main gates at the top of the playground. We ask that children arrive in their usual games kit, with a bottle of water, sun-cream and a hat (preferably that covers the neck).

We have taken the following steps to ensure the safety of the children and staff at CJS, as well as the wider community:

- Children will remain in their 'bubbles' and in zoned areas to stay consistent with our current safety measures.
- Equipment will be sanitised/wiped down before and after use.
- Parents/carers will remain in clearly marked zones within their child's class group, maintaining a 2m social distance where possible.
- Parents/carers are asked to stick to designated walkways and areas.
- **Parents/carers are asked to wear facemasks** unless they have a valid reason not to.
- Parents/carers are asked to use the toilets in the Hub (the old children's centre).
- Raised voices and shouting are discouraged as guidance suggests this may mean an additional risk of infection.
- Minimal chairs will be provided in parent/carer zones to minimise cleaning and avoid the chance of transmission.

Parents/carers are welcome to take their child home at the end of Sports Day from approximately 3pm but only when dismissed by a member of school staff. Please don't take your child until a staff member hands them over to you.

We thank you for your understanding and hope you appreciate the hard work behind the scenes to ensure children still have the opportunity to have some sense of normality with their Sports Day this year.

**Book Tournament**

The children have been competing in their classes in a book tournament, where they have chosen their favourite book and then tried to persuade the rest of the class why theirs should be voted as the class favourite.

It was tense in all the classes when we got round to the semi-finals, with everyone vying to be the winners. But the children have spoken, and voted, and finally, like England, we have some children who are going through to the next round and will be competing in a knock out round in their Year group to see who goes through to the grand final on Zoom in the last week of term.

Congratulations to all our class winners below:
