

Welcome/Welcome Back

We would like to welcome all our new pupils who have all settled in very well to their new school and routine. A big welcome back to all our old pupils too. It has been lovely to see all your smiley faces (new and familiar) around the building and hear the buzz that only fills the school when the children are here.

End of School Day - IMPORTANT

Please remember that, as of Monday 13th September, **ALL** pupils will be leaving at 3.20pm.

We are also removing the one-way system for parents at the end of the school day. Parents will **arrive through the top gates and exit through the top gates**. The bottom gates will be for Year 5 and Year 6 pupils who have permission to walk home. This should help remove the bottle-neck at the bottom gates and should ensure that there is a safe separation between the parents and the teacher's groups of children 😊

We respectfully ask parents to wait behind the yellow netball court line (where the benches are) and to wait for their child to come to them before exiting through the top gates.

If you need to speak to the class teacher at the end of the day, please wait until they have safely dismissed all of their class before approaching them.

We ask that you are patient with us dismissing your children, we need to ensure that every child leaves with the correct adult and the playground will be even busier than normal from Monday.

We would strongly encourage only one parent to collect children at the end of the school day, in order to reduce the number of people on the playground as much as possible.

ParentPay

Thank you to all those parents who have topped up their accounts to ensure they are in credit. Please can we ask all parents whose child/ren have school dinners ensure their accounts are in credit.

Please can anyone with an outstanding debt clear it. We will have to stop children having dinners if their accounts are in debt. There is a large amount of money outstanding for dinners and this affects the level of service we can offer ALL children. If you are experiencing difficulties clearing a debt please call the office to discuss setting up a payment plan.

To our new Year 3 parents, please remember to activate your school account. This is essential even if you have an account from the Zone or a previous school.

Thanks.

Year 6 Residential

A little reminder to all parents whose children are signed up to go on the residential trip that the second installment is due today. The final installment is due on 1st October.

Class Dojo

All new year 3 pupils took home a letter with login details for Class Dojo. Please can we ask that if you haven't already signed up to this you do so. This is an important communication tool between school/class and yourselves and we don't want people missing out on anything because they haven't got the information.

After School Clubs

We are sorry these are taking longer to organize than anticipated. They will be starting soon – please bear with us. Soccerstars are starting their after school football club on Tuesday – information on this and how to book can be found on page 4 of this newsletter.

Scholarpack App

Linkup codes have been sent out to all our new parents this week. All other parents had theirs sent last term. This system is used for you to be able to check the details we have for you and your child/ren on our system, check attendance as well as being another communication platform to keep you up to date with what is happening at school.

We would urge our parents to check the permissions we hold for your child, particularly those in Years 5 and 6 to ensure that we know if your child can leave the premises independently or not.

Flu Immunisations

The Derbyshire Immunisation Team have confirmed that they will be coming into school on 6th December to administer flu vaccines. Below is the letter they have asked us to pass on to our parents:

Dear Parents/Carers

For the school year starting September 2021 we will be continuing with the e-consent for the Flu Programme. This year we will be offering the Nasal Flu vaccination to children in **Reception, Year 1, 2, 3, 4, 5, and 6.**

Please visit

<https://www.derbyshireandcityimms.co.uk/Forms/Flu> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

If you wish to decline the Flu spray due to the porcine element we are now able to offer an alternative injectable Flu vaccine that does not contain porcine. Please complete the consent form as a decline due to vaccine ingredients and we will then contact you to arrange vaccination. For more information please contact the team as below.

Your unique school code for **Chellaston Junior School** is **DC146500**

For more information about the vaccination please visit our website:

School opens for the Spring term

* You'll notice that in the week beginning 11th October and the week beginning 18th October, we have **Parents Book-Share Drop-in**. This will take place straight after school and is an opportunity for parents to come into the classroom to look at what their child has been doing in their school books ahead of the online parents' meetings after half term. It's not really designed as an opportunity to interrogate the class teacher but you will be able to say 'hello'! Hopefully, you'll enjoy looking through the books and writing lovely comments for your child.

We will organise a booking system for this and let you know as soon as we have set that up. There will be 20 slots available for each session so that we can accommodate split families.

SoccerstarsUK has been in partnership with the Derby County Academy Development Centres for over 10 years. During this time we have provided young, talented footballers with the opportunity to progress into both the Development Centres & the Derby County Academy. Any child showing potential on a SoccerstarsUK course will be given the chance to progress to one of these centres.

For more information on how we are responding to the COVID-19 pandemic, please view our website for our Return to Play Policies & Risk Assessments.
