Monday 11th April to Friday 22nd April

Easter Holiday (School closed)

Monday 25th April

Children return to school

Considerate Parking

To reiterate Mrs Price's message on Class Dojo - *"I know pick up and drop off times are difficult and very busy due to large amounts of children on both our site and Chellaston Infants, however a small minority of parents from both schools are still parking with little thought for our local residents. We have received calls from residents very unhappy about cars being parked across their drives and blocking access to Diseworth Close.*

Please can I remind everyone to be considerate when parking at the start and end of the school day."

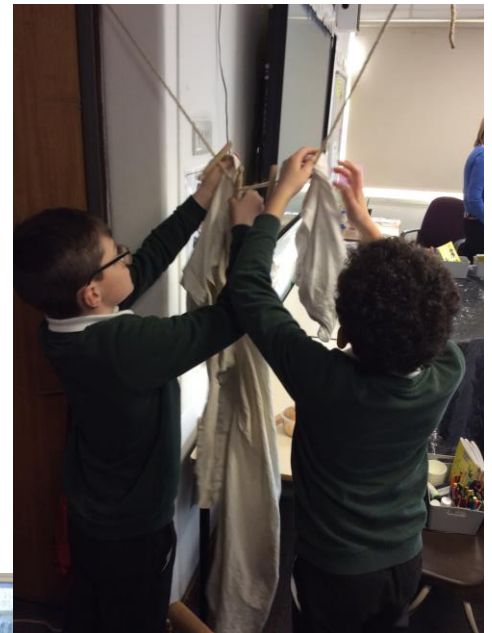

Cromford – Iron Age

In History on the last day of the half term, Cromford class learnt about when iron was invented and how it was made. We then designed and made our own iron tools. They look fab – well done!

Year 5 – Industrial Revolution Workshop

World Book Day

We had a fantastic day celebrating World Book Day. There were so many creative costumes worn by children across the school – thank you for all the efforts you put in.

Ticknall Class

Absences

Please can we remind all parents to leave a message on the absence answerphone if their child is going to be off school. This message should include child's name, class and reason for the absence. Thank you.

School Dinners

Another reminder that school dinners should be paid for in advance. Dinners cannot be provided where debts exist and we may have to contact parents to provide a packed lunch if dinners haven't been paid for. Thank you.

Snacks

We are finding that a number of children are not bringing in a snack for break resulting in them being hungry. This can have a negative impact on their learning. Please send your child in with a snack, fruit or vegetables, for them to have at break time.
Thanks.

Found

We have a few pairs of glasses that have been found but not claimed:

If these are your child's they can be claimed from the school office.
