

WAL: how to make predictions using evidence
from the text

Stitch Head

Chapter One

<https://www.lovereadings4kids.co.uk/extract/6854/Stitch-Head-by-Guy-Bass.html>

Quick Start

- What is the name of the professor?
- What do people think of the professor?
- Why is Stitch Head not with the professor?
- How many arms did the creation have?
- What happens to the new creation?

Vocabulary Check

- toiling on his latest experiment
- pulling levers and administering potions
- The eye was a sight to behold.
- far bigger and more imposing than anything the professor had created before
- a third, small arm protruding from its chest
- He clambered silently, nimbly along the rafters

Partnered Talk

True or false?

‘The professor is a perfectionist’.

Justify your thinking with evidence from the text.

Individual Thinking

Find and copy evidence from the text that shows that
Stitch Head is sad.

Individual Thinking

If you were Stitch Head, do you think you would have stayed with the professor for all these years, or would you have left?

What would be the pros and cons of both of these choices?

Partnered Talk

The first line reads ‘Around eighteen minutes before *Fulbert Freakfinder’s Travelling Carnival of Unnatural Wonders* trundled into Grubbers Nubbin...’

What might this carnival do or want?

What future events might their arrival foreshadow?

Solo Work

Predict what will happen next in the story, using evidence from the text to justify your predictions.
